

Cicero Corrêa

Operations Manager

A company functions as a live organism, where all systems must work in a harmonic and coordinated way, aiming the fulfillment of client needs, adequate capital return for the shareholders, employee's development, and stakeholder's satisfaction. At Cabelauto, this mindset northern our work, from core strategy to daily activities.

Cicero Corrêa graduated from the Universidade Federal Fluminense (UFF) in Mechanical Engineering and holds an MBA in Corporate Management from Fundação Getúlio Vargas (FGV-SP). With over 34 years working in the industry, on several segments, his experience in the electrical cable sector for 13 years stands out, overseeing industrial plants across Latin America, acting as operations director.

He has worked in other renowned companies in the sector, such as Petrobrás, Iochpe-Maxion, Pirelli Cabos, Prysmian Group, Brastec Technologies and others.

Since January 2021, Cicero is responsible for the Industrial & Integrated Logistics area in Cabelauto, playing a key role in the consolidation of the Company as one of the main electrical cable manufacturers in Brazil.
